Andrew Farrell

**Objective** To obtain a full-time position starting in the summer of 2003.

**Education** Carroll College – Waukesha, Wisconsin Bachelor of Science, Completed May 2003  
Majors: **Computer Science / Information Systems Emphasis** Minors: Art and Communication  
**Graphic Communication / Management Emphasis** Cumulative GPA: 3.81

**Experience** Resort Technology Partners, LLC. – Avon, Colorado  
**Graphic Designer & Technical Architect**, Summer 2002  
**Key Accomplishments:** Designed creative for new sections of sites and added creative components to existing sites. Utilized Photoshop and Illustrator for composition and developed Flash pieces for Rock Resorts and Beaver Creek Resort. Introduced new creative and photos to intranet sections for Vail Resorts, and also for Vail.com. After working as a graphic designer for interactive projects I took on several new projects and brought them through the implementation phase. This included breaking comps into HTML, coding ASP programming, developing database integration, developing Javascript front-end automation of forms etc., and integrating the site into an in-house content management tool.

Fullhouse Media, Inc. – Milwaukee, Wisconsin  
**Interactive Producer**, October 2000 – June 2001  
**Key Accomplishments:** Worked with teams of graphic designers and technical producers to design and redesign web sites. Performed design and programming operations while building content based on ASP, ColdFusion, SQL, and IIS technologies as well as an artificial intelligence based support system. Utilized tools such as Photoshop, SourceSafe, and Interdev to develop Internet and Intranet content for clients that included Miller Brewing Company, Midwest Express Airlines, and Johnson Controls.

Tribune Interactive / The Chicago Tribune – Chicago, Illinois  
**Designer**, Summer 2000  
**Key Accomplishments:** Designed and maintained web sites. Produced online advertisements and managed online content for internal projects and external clients.

Carroll College – Waukesha, Wisconsin  
**Computer Science Department Server Administrator**, Spring 2000 – May 2003  
**Key Accomplishments:** Developed skills working with professors and peers. Redeveloped the web site for the computer science program at the college. Managed Linux and Windows NT/2000 servers. Worked as a teaching assistant and student tutor.  
**Communication Department Student Assistant**, Spring 2000 – May 2003  
**Key Accomplishments:** Recommended the purchase and implementation of new non-linear digital video editing and recording equipment. Developed curriculum and was successful in the proposal of a new editing course. Assisted faculty and students with video productions. Worked as a teaching assistant for video production classes.

Business Forms of America – Park Ridge, Illinois  
**Designer**, Fall 1998 – Fall 1999  
**Design Consultant**, Spring 2000 – Fall 2001  
**Key Accomplishments:** Produced printed material for the most professional Chicago hotels. Created identity pieces including business cards and stationary, as well as custom pieces for rooms. Designed material using typography and layout skills.

**Skills** **Design Tools:** Photoshop, Illustrator and Freehand, PageMaker and Quark, Dreamweaver, Flash  
**Programming Tools:** C++, Visual Basic, Javascript, Perl, ASP, PHP, ColdFusion, Basic Java and JSP  
**Information Systems:** Windows 2000 Server, IIS, SQL Server, mySQL, Oracle, Microsoft Access, Network Admin

**Honors** **The Outstanding Student Senior Award** – Awarded by the faculty and students of the college based upon scholarship, character, leadership, personality and co-curricular participation  
**The Outstanding Computer Science Senior Award** – For academic excellence and contribution to the department  
**Best Computer Science Senior Capstone Project Award** – Best computer science senior project in the class of 2003  
**The Outstanding Graphic Communication Senior Award** – For academics and graphic communication skills  
**Chicago Tribune/Digital Cities** – Scholarship for volunteer involvement in creating a community presence on the Internet, 1998  
**Alumni-In-Residence Award** – Top sophomore student at Carroll College based on leadership, involvement on campus/in the community, and academics, 2001  
Other Awards: **Presidential & Music Scholarships** (for academics and music), **Dean's List** (every semester), **The National Collegiate Business Merit Award**, **Service to the Communication Department Award**

**Leadership** **Freshmen Orientation Leader** – Summers Post Freshmen and Sophomore Years  
**Graphic Communication Club** – Public Relations Sophomore Year, Vice President Junior Year  
**Student Newspaper** (*The New Perspective*) – Web Manager, Finance Manager, Photo Editor  
**Television Organization** (*Pio TV*) – President Sophomore, Junior, and Senior Years  
**Trombone Section Leader** (*Wind Symphony and Jazz Ensemble*) – Junior and Senior Years
